THE KENYA POLYTECHNIC UNIVERSITY COLLEGE

Our History

The first proposals for the establishment of a Technical Institute in Nairobi were put forward in the Willoughby Report published in 1949. This led to the creation of the Royal Technical College which later became the University of Nairobi. The Government had to put up another body to continue the role formerly played by the Royal Technical College. The Kenya Polytechnic was the institution established for that purpose in 1960 and officially opened the subsequent year, on 29th May, 1961.

In the year 2005 the Government of Kenya launched the Sessional Paper No. 1 that sought to provide a common forum in which both the industry and other Technical, Industrial, Vocational and Entrepreneurship Training (TIVET) institutions could collaborate to develop human resources with the requisite innovation and technological skills. This led to the elevation of the institution to a university college and to respond to the challenges of national development as identified in the Sessional Paper No. 1. The University College has since developed a Strategic Plan 2009-2015.

Our Vision

To be a top rated university of technology

Our Mission

To provide quality and innovative technological education and training

Our Motto

Education and training for the real world

In 2007 the Kenya Polytechnic was upgraded to a University College known as “The Kenya Polytechnic University College” through a Presidential Legal Order of the 23rd August 2007.

The elevation was in line with the Government policy to create opportunities for National Polytechnics to offer degree level programmes while retaining their existing mandate, among others.

Our Core Values

Service Delivery

These include:

- Commitment to quality service and excellence
- Satisfying and exceeding customer expectations
- Using synergy as a mode of operation to maximise on the institution’s total productivity
- Upholding professionalism in our activities.

Accountability and Governance

The Kenya Polytechnic University College is committed to promote:

- Integrity in ethical behaviour.
- Transparency and accountability.
- Honesty, fairness, justice and trust as integral management practices

Societal Obligation

Our societal obligations recognize the need to behave ethically towards society's needs by:

- Inculcating a culture of care to society and responsive dialogue with stakeholders.
- Promoting social responsibility programmes to add value and enhance the public's image of the University College.
- Being sensitive to disadvantaged members of society including the physically challenged persons.

Strategic Focus Areas

The Kenya Polytechnic University College has also identified the following Strategic Focus Areas as being instrumental for its transformation into **a top rated university of technology**:

- Human resources
- Academic programmes
- Governance and management
- Financial resource mobilization
- Partnership with industry
- Infrastructure, facilities and equipment
- Information and communication technology
- Institutional culture and public image
- Quality assurance and standards
- Collaboration with other institution
- Managing change

In pursuit of its Vision and Mission, and also guided by its Motto, the Kenya Polytechnic University College has developed a time-bound action plan to implement the following:

- Promotion and adoption of principles of good corporate governance
- Designing and implementing of curricula based on the need to respond to the expectations of industry and other stakeholders
- Continued enhancement of linkages and partnerships with top rated universities
- To broaden financial resource base through resource mobilization initiatives
- Acquisition, installation and maintenance of the state of the art equipment
- Promotion of a culture of social responsibility and positive attitude at the University College
- Liaison and continuous consultations with the industry and other stakeholders in the curriculum development and review
- Establishment of a sustainable network and partnership with the University College alumni
- Promotion of excellence in student assessment and evaluation
- Establishment and implementation of an up to date ICT infrastructure to ensure prompt delivery of quality service

The overall execution of the action plans is the responsibility of the University College Council through the Principal.

Governance

The Kenya Polytechnic University College is governed by the University College Council. The Council is constituted as per the Legal Notice No. 159 of 27th August 2007 as follows: the Chairperson and Vice Chairperson, both of whom are appointed by the President; the Vice-Chancellor, the Principal, the Permanent Secretaries for Technical, Education and Finance and the following persons appointed by the Minister (i) one person nominated by the Academic Board from amongst its members, (ii) one person nominated by the Senate from amongst its members (iii) one person to represent the association of technical, vocational education and training institutions (iv) one person to represent special interests (v) one person to represent the industrial sector (vi) one person

nominated by the Convocation from among its members (vii) one person to represent professional associations (viii) one person nominated by the academic staff (ix) one person nominated by the non-academic staff (x) one person nominated by the student organization and (h) not more than two persons co-opted by the Council.

Management

The day-to-day running of the Kenya Polytechnic University College is the responsibility of the Principal assisted by the College Academic and Management Boards.

Schools

The College currently comprises nine Schools offering both full-time and part-time programmes at Certificate, Diploma, Higher National Diploma and Degree levels, supported by a well equipped and modern Library. The Schools are well staffed and boast of modern laboratory equipment to offer top quality training and research in all areas of development ranging from human resource, infrastructure, policy to technology. These are the Schools of Applied Sciences and Technology, Engineering Science and Technology, Health Sciences and Technology, Architecture and the Built Environment, Creative Arts and Technologies, Hospitality and Tourism Management, Business and Legal Studies and Liberal and Technology Studies. In addition there are two Centres that provide support services to the College viz: the Centre for Entrepreneurship, Innovation and Technology Transfer, which also offers training, and the Polytechnic Information and Communication Technology Centre (PolyICT).

Bachelor of Technology Degree Programmes

The University College launched degree programmes in the School of Engineering Science and Technology in January 2009 when students were admitted for the following courses:

- Bachelor of Engineering in Electrical and Electronic Engineering.
- Bachelor of Technology in Electrical and Electronic Engineering Technology.

The second batch of the degree students was admitted in September 2009 to pursue courses in the programmes as above.

The University College is set to launch 32 other Degree programmes in January 2011.

Enrolment

The current enrolment stands at 4388 for regular students and 5036 for part time students who attend classes in the evening, weekends and during vacations.

Current Staff

The staff levels of the entire Kenya Polytechnic University College stand at a total of 755, made up as 276 teaching and 479 non-teaching.

WIMBO WA TAIFA

1

Ee Mungu nguvu yetu
Ilete baraka kwetu
Haki iwe ngao na mlinzi
Natukae na undugu
Amani na uhuru
Raha tupate na ustawi

2

Amkeni ndugu zetu
Tufanye sote bidii
Nasi tujitoe kwa nguvu
Nchi yetu ya Kenya
Tunayoipenda
Tuwe tayari kuilinda

3

Natujenge taifa letu
Ee, ndio wajibu wetu
Kenya istahili heshima
Tuungane mikono
Pamoja kazini
Kila siku tuwe na shukrani

KENYA NATIONAL ANTHEM

1

Oh God of all creation,
Bless this our land and nation,
Justice be our shield and defender,
May we dwell in Unity,
Peace and Liberty,
Plenty be found within our borders.

2

Let one and all arise,
With heart both strong and true,
Service be our earnest endeavour,
And our homeland of Kenya,
Heritage of Splendour,
Firm may we stand to defend.

3

Let all with one accord,
In common bond united,
Build this our nation together,
And the glory of Kenya,
The fruits of our labour,
Fill every heart with thanksgiving.
